

TYPE 1 TOGETHER

Got 5-10 minutes?

Tresiba, a new basal (long-acting) insulin, may soon be in Canada.

The government is considering covering Tresiba and wants to hear from you!

type1together.ca/survey.php

Survey closes July 14, 2017.

www.Type1Together.ca

We bring together Canadians living with type 1 diabetes.
We make T1D easier to live with through connections, sharing, and advocacy.
